

# SKILLS FOR TOMORROW

## Watch catch up TV and films, anytime

On demand TV lets you catch your favourite show, even if you missed it when it was broadcast.

Most major TV channels offer this service which include sports and popular box-sets.

### What you'll learn

- How to register on BBC iPlayer (you'll need a TV licence)
- How to search on BBC iPlayer and watch something.

### Helper's notes

Encourage your learner to carry out as many steps as possible to build their confidence. Try to avoid doing any steps for them. If they get stuck, show them, but then go back and ask them to do the same step independently.

You can print off this sheet to leave with them, to try out on their own.
