On the basis of the referenced test reports, the samples of the listed product were found to comply with relevant harmonized standards under the EC R&TTE Directive 1999/05/EC valid at the time the tests were carried out. The harmonized standards contained the technical requirements to meet the essential requirements of R&TTE. The manufacturer must ensure compliance of the manufactured products with the technical documentation and other requirements of the R&TTE Directive that apply to them. National legal requirements have to be considered before bringing the product to the market. See also notes overleaf.
